

# Nonexclusive Publication Agreement

**Agreement:** We look forward to publishing your article on NutriScape.NET. For the protection of your work, of the online publisher NutriScape.NET and of NutriScape LLC, whose organization will be responsible for publication and certain other copyright administration, we need from every author whose work is to appear on NutriScape.NET to grant certain nonexclusive licenses. These licenses are a prerequisite for publication of the article in NutriScape.NET. However, this instrument is not a copyright assignment.

**Rights Reserved by Author:** You retain copyright in your article, subject only to the specific rights given to NutriScape.NET and NutriScape, LLC in the following paragraphs. By retaining your copyright, you are reserving for yourself among other things unlimited rights of electronic distribution, and the right to license the work to other publishers.

**Licenses to NutriScape LLC:** You hereby give to NutriScape the right to be the publisher of the article in electronic form, which NutriScape, LLC will do by means of its Internet site. After initial publication, NutriScape, LLC will have an ongoing but non-exclusive license to publish the article online.

**Scope of Licenses:** All the above licenses will be worldwide in all languages and will endure for all terms of copyright in the article in all media.

**Warranties:** You warrant that you are the sole author of the Article, and generally that you have a complete and unencumbered right to make the grants you make to us (especially with regard to previously published material). You also warrant that the Article does not libel anyone, invade anyone's copyright, patent, or trade secret rights, or otherwise violate applicable law. You agree to indemnify NutriScape, LLC and NutriScape.NET against any claim or action alleging facts which, if true, constitute a breach of any of the foregoing warranties.

**Multiple Authors:** If there is more than one author of the Article, the word "you" includes all authors jointly and severally.

**In Conclusion:** This is the entire agreement between us, and it may be modified only in writing. It will bind and benefit our respective successors in interest, including your heirs. It will terminate if we do not publish your article within two years of the date of your signature(s).
